

The voice of research administrators building a network of administrative excellence

# **COST Targeted Network TN1302: BESTPRAC**

# Aim / objectives

- to allow networking and exchanging financial, legal and administrative experience
- to share and develop best practices encouraging knowledge sharing, knowledge transfer and increased efficiency in project management
- establish a network for the administrative, finance and legal services in universities, research organizations and related entities

# **Target group**

- staff in universities and research institutions carrying out administrative tasks in support of European projects during the post-award phase
- often with low salaries, without any possibility to travel and to network and share experiences about carrying out administrative tasks in European research projects
- The target group does not include: researchers, European project officers focussed on the pre-award phase of the project lifecycle, managers/ directors, people with PhDs.

**AIM**: <u>improved administrative</u>, <u>financial and legal procedures</u> of research projects carried out with European funding

- WG1 Administration: overall management of externally funded projects
  - ♦ WG2 Finance: financial aspects of preparing and running cross-European projects
    - ♦ WG3 Legal: legal framework of the projects

#### **WG1 – Administration**

**Topics:** overall management of externally funded research projects

- project establishing (tools, methods, and procedures)
- cross-cultural barriers
- overall reporting
- timesheets and closing of projects
- audits

#### **Deliverables:**

- deepened understanding of topics mentioned above
- checklists and templates
- case stories "good practice and experiences"

## **Output WG1**

#### 1. Inventory profiles of research administrators in Europe

- Majority has scientific background and is female
- Only few job titles contain "administration"
- Tasks too diverse for consensus on uniform description
- Shared tasks in pre- and post-award phase:
  - General advising, informing, training and consulting
  - Helpdesk and problem solver
  - Hands-on support application writing and project implementation

### **Output WG1**

- 2. <u>List</u> of skills and competences for an EU research administrator
- Conclusion: it depends on the profile
- English fluency, communication, organisational, time management, analytical skills
- 3. <u>List of most experienced difficulties/obstacles</u>
- Lack of acknowledgement, respect and knowledge
- Communication with different offices/depts involved
- 4. <u>Market place</u> with practical tools (available on www.bestprac.eu)

#### **BESTPRAC** solutions for WG1

- Market place for administrative tools
- Continuous exchange of best practices
- Communication training
- Inter-WG updates on proceedings
- Handbook of STSM reports
- Training schools
- At the end: BESTPRAC guide/handbook
