Belgian COST
Online Information Session

10 September 2020

Some practical agreements

Send your questions through the chat function, they will be handled after each presentation

Keep your micro muted

The webinar will be recorded and will be made available together with the presentations on the event website:
http://www.belspo.be/belspo/cost/agenda_en.stm
We will inform you via email when info is uploaded on the website.

We will also send you an evaluation form and would appreciate your feedback!
